Item 8.01 Other Events.

On May 28, 2009, Douglas S. Schatz, the Chairman of the Board of Directors of Advanced Energy Industries, Inc. (the Company), and his wife Jill E. Schatz, as trustees of The Douglas S. Schatz and Jill E. Schatz Family Trust U/A DTD 3/26/02 (the Trust) adopted a selling plan pursuant to Rule 10b5-1 of the Securities Exchange Act of 1934, as amended (the Plan) which provides for the sale of up to 1,692,308 shares of common stock of the Company. Shares will be sold under the Plan on the open market at prevailing market prices and subject to minimum price thresholds specified in the Plan. The Plan was established as part of Mr. and Mrs. Schatz's personal long term strategy for asset diversification and liquidity. Rule 10b5-1 permits officers and directors of public companies to adopt pre-determined plans for buying or selling specified amounts of stock if the plan is adopted at a time when the purchaser or seller is not aware of any material non-public information. On May 8, 2009, the Trust entered into a series of variable prepaid forward contracts (the VPF Contracts) with a securities broker, in order to monetize 1,000,000 shares of common stock of the Company. Upon fulfillment of each of 6 orders under the VPF Contracts, the Trust received a cash payment equal to approximately 84% of the market value of the shares subject to such order and pledged such shares to the securities broker. Pending settlement of such contracts, between May 11, 2010 and December 13, 2010, the Trust will retain all of its voting rights in respect of the pledged shares. The Trust has filed Forms 4 with the Securities and Exchange Commission to report the placement of orders under the VPF Contracts.

The Company does not undertake to report Rule 10b5-1 plans or any other stock transactions that may be adopted or effected by any officer or director, or to report any modifications or termination of any publicly announced trading plan or transaction, except to the extent required by law.
