GLAMIS GOLD TO ENSURE GOLDCORP SHAREHOLDERS GIVEN CHOICE

December 17, 2004 Reno, Nevada - Glamis Gold Ltd. (NYSE: GLG; TSX: GLG) today announced that in connection with its proposed take-over bid (the Take-over Bid) to acquire Goldcorp Inc. (Goldcorp), counsel for Glamis delivered to the Board of Goldcorp on the day the Take-over Bid was announced, a letter expressing Glamis view that Goldcorp shareholders must be given the opportunity to tender to the Take-over Bid without impediment and that the Goldcorp Board's duties require that it not act in such a way as to constrain the choices of shareholders while Goldcorp is in play.

Glamis has alerted the Goldcorp Board to the provisions of *National Policy 62-202 Take-Over Bids - Defensive Tactics* (NP 62-202) and in particular the fact that under NP 62-202 the actions of a target company may come under scrutiny of the regulator where the effect of taking such actions is to deprive shareholders of the ability to consider a take-over bid. Glamis has cautioned the Goldcorp Board not to take any such action in relation to Goldcorp's proposed transaction with Wheaton River Minerals Ltd. (Wheaton). Goldcorp shareholders must be given the opportunity to tender to the Take-over Bid without impediment.

Both the Ontario Securities Commission and the Toronto Stock Exchange have been copied with the letter in order to bring to their attention the facts surrounding the timing and approval of Goldcorp's proposed transaction with Wheaton and the Take-over Bid. It is Glamis' intention to pursue every avenue available to it to ensure that Goldcorp shareholders be given a choice, including, if necessary, pursuing the matter with the securities regulatory authorities.

Glamis announced its intention to make the Take-over Bid on December 16, 2004. Glamis intends to offer Goldcorp shareholders 0.89 of a Glamis common share for each Goldcorp common share. In addition to customary conditions, the Take-over Bid will be subject to the following condition:

Goldcorp does not acquire or enter into any commitment to acquire shares or enter into any material agreement with Wheaton; or

Alternatively, any offer or agreement with Wheaton must be conditional on the Take-over Bid not being successful and must be capable of being terminated by Goldcorp without payment or penalty if the Take-over Bid is successful.

Glamis intends to mail the Take-over Bid to Goldcorp shareholders in early January, with an initial expiry date 35 days thereafter.

Kevin McArthur, President and Chief Executive Officer of Glamis Gold reiterated, Goldcorp shareholders should contact their Board of Directors to demand the opportunity to decide between receiving a premium under our offer or paying a premium to Wheaton River. We believe the Goldcorp shareholders have overwhelmingly expressed their preference for a Glamis-Goldcorp combination over the Goldcorp-Wheaton deal.
