PROXY STATEMENT

The following information is furnished in connection with the solicitation of proxies by the Board of Directors of the Company for the Annual Meeting of Shareholders (the Meeting) to be held on Wednesday, August 24, 2005, at 11:00 A.M., Atlanta time, at the Company's Corporate Headquarters, 1945 The Exchange, Suite 300, Atlanta, Georgia. A copy of the Company's Annual Report for the fiscal year ended April 30, 2005, and a proxy for use at the Meeting are enclosed with this Proxy Statement. This Proxy Statement and the enclosed proxy first were mailed to shareholders on or about July 29, 2005.

GENERAL INFORMATION

Any proxy given pursuant to this solicitation may be revoked, without compliance with any other formalities, by any shareholder who attends the Meeting and gives oral notice of his or her election to vote in person. In addition, any proxy given pursuant to this solicitation may be revoked prior to the Meeting by delivering to the Secretary of the Company a notice of revocation or a duly executed proxy for the same shares bearing a later date. All proxies of shareholders solicited by the Company, which are properly executed and received by the President of the Company prior to the Meeting, and which are not revoked, will be voted at the Meeting. The shares represented by such proxies will be voted in accordance with the instructions thereon, and unless specifically instructed to vote otherwise, the individuals named in the enclosed proxy will vote to elect all the nominees as set forth in this Proxy Statement. Abstentions and broker non-votes will be included in determining whether a quorum is present at the Meeting, but will otherwise have no effect on the election of the Directors. Broker non-votes are proxies received from brokers or other nominees holding shares on behalf of their clients who have not received specific voting instructions from their clients with respect to non-routine matters. A system administered by the Company's transfer agent will tabulate the votes cast.

The Company pays the cost of soliciting proxies. Copies of solicitation material may be furnished to banks, brokerage houses and other custodians, nominees and fiduciaries for forwarding to beneficial owners of shares of the Common Stock and normal handling charges may be paid for such forwarding service. In addition to soliciting by mail, Directors and regular employees of the Company, at no additional compensation, may assist in soliciting proxies by telephone or other means.

As of the Record Date for the Meeting, there were 3,209,013 shares of Common Stock outstanding and entitled to vote. The holders of Common Stock, the only outstanding class of voting stock of the Company, are entitled to one (1) vote per share.

The Board has a standing Executive Committee, currently consisting of Alan R. Abrams, J. Andrew Abrams, and Melinda S. Garrett. This Committee is empowered to take actions that do not require the approval of the full Board of Directors, subject to the authority of the other Board committees and to the requirements of applicable law. All actions of the Executive Committee subsequently are ratified by the full Board of Directors.

NOMINATION OF DIRECTORS

Nominations Process. The Nominating Committee is responsible for considering and making recommendations to the Board concerning nominees to recommend to the shareholders in connection with the Company's Annual Meeting of Shareholders, and nominees for appointments to fill any vacancy on the Board. To fulfill these responsibilities, the Committee periodically considers and makes recommendations to the Board regarding what experience, talents, skills and other characteristics the Board as a whole should possess in order to maintain its effectiveness. In determining whether to nominate an incumbent Director for re-election, the Board and the Nominating Committee evaluate each incumbent's continued service in light of the Board's collective requirements at the time such Director comes up for re-election.

When the need for a new Director arises (whether because of a newly created Board seat or a vacancy), the Nominating Committee proceeds by whatever means it deems appropriate to identify a qualified candidate or candidates. The Committee reviews the qualifications of each candidate. Final candidates are generally interviewed by one or more Board members. The Committee then makes a recommendation to the Board based on its review, the results of interviews with the candidate, and all other available information. The Board makes the final decision on whether to invite the candidate to join the Board.

Director Qualifications. The Nominating Committee is responsible for considering and making recommendations to the Board concerning criteria for the selection of qualified Directors. At a

Table of Contents

minimum, Directors should have high moral character and personal integrity, demonstrated accomplishment in his or her field, and the ability to devote sufficient time to carry out the duties of a Director. In addition to these minimum qualifications for candidates, in evaluating candidates the Board and the Committee may consider all information relevant in their business judgment to the decision of whether to nominate a particular candidate for a particular Board seat, taking into account the then-current composition of the Board. These factors may include: a candidate's professional and educational background, reputation, industry knowledge and business experience, and the relevance of those characteristics to the Company and the Board; whether the candidate will complement or contribute to the mix of talents, skills and other characteristics needed to maintain the Board's effectiveness; the candidate's ability to fulfill the responsibilities of a Director and of a member of one or more of the Board's standing committees; whether the candidate is independent; and whether the candidate is financially literate or a financial expert.

Shareholder Nominations. Nominations of individuals for election to the Board at any meeting of shareholders at which Directors are to be elected may be made by any Company shareholder entitled to vote for the election of Directors at that meeting by complying with the procedures set forth in Section 10 of the Company's Bylaws. Section 10 provides that notice of proposed shareholder nominations must be given to the Secretary of the Company at the Company's principal executive offices not less than sixty (60) days nor more than ninety (90) days prior to the meeting at which Directors are to be elected, unless the notice of meeting is given less than sixty (60) days prior to the meeting, in which case the notice of nomination must be received not later than the tenth (10th) day following the day on which the notice of meeting was mailed to shareholders. The notice of nomination must contain information about each proposed nominee, including age, address, principal occupation, the number of shares of stock of the Company beneficially owned by such nominee, and such other information as would be required to be disclosed under the Securities Exchange Act of 1934 (the Exchange Act), in connection with any acquisition of shares by such nominee or with the solicitation of proxies by such nominee for his or her election as a Director. Information must also be disclosed by and about the shareholder proposing to nominate that person. The chairman of a shareholder meeting may refuse to acknowledge the nomination of any person not made in compliance with the foregoing procedure.

The Nominating Committee will consider recommending to the Board that it include in the Board's slate of Director nominees for a shareholders' meeting a nominee submitted to the Company by a shareholder who has beneficially held at least five percent (5%) of the Company's outstanding Common Stock for at least two (2) years. In order for the Committee to consider such nominees, the nominating shareholder should submit the information about the nominee and nominating shareholder described in Section 10 of the Bylaws to the Secretary of the Company at the Company's principal executive offices within the time period prescribed by Rule 14a-8 under the Exchange Act generally, at least one hundred twenty (120) days before the first anniversary of the date that the Company's Proxy Statement was released to shareholders in connection with the previous year's Annual Meeting of Shareholders. That deadline can be found below, under Shareholder Proposals. The nominating shareholder should expressly indicate that such shareholder desires that the Board and the Committee consider such shareholder's nominee for inclusion with the Board's slate of nominees for the meeting, and should submit information demonstrating that the shareholder has beneficially owned at least five percent (5%) of the Company's outstanding Common Stock for at least two (2) years. The nominating shareholder and shareholder's nominee should undertake to provide, or consent to the Company obtaining, all other

Table of Contents

information the Board and the Committee may request in connection with their evaluation of the nominee.

The shareholder's nominee must satisfy the minimum qualifications for Director described above. In addition, in evaluating shareholder nominees for inclusion with the Board's slate of nominees, the Board and Committee may consider all relevant information, including: the factors described above; whether there are or will be any vacancies on the Board; the size of the nominating shareholder's Company holdings and the length of time such shareholder has owned such holdings; whether the nominee is independent of the nominating shareholder and able to represent the interests of the Company and its shareholders as a whole; and the interests and/or intentions of the nominating shareholder.

COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

REPORT ON EXECUTIVE COMPENSATION

The objectives of the Company's Executive compensation program are to enhance the profitability of the Company, and thus shareholder value, by aligning employee compensation with the financial interests of the shareholders of the Company, and to attract, motivate, reward and retain employees, including Executive Officers, who contribute to the long-term success of the Company. In furtherance of these goals, the Company's compensation program for Executive Officers includes base salary, annual incentive compensation and long-term incentive compensation. At the discretion of the Board of Directors, selected Executive Officers may participate in the Senior Management Deferral Plan, which is designed to permit eligible employees to defer a portion of their incentive compensation. The Compensation Committee reviews and makes recommendations to the Board of Directors regarding the compensation of the Company's Executive Officers.

Salary. The Compensation Committee determines base salaries for the Executive Officers, including the CEO, based upon the financial performance of the Company or subsidiary, as the case may be, and upon the individual's level of responsibility, qualifications, time with the Company, contribution, performance, and the compensation levels of similarly positioned executives in comparable companies. Evaluation of these factors is subjective and no fixed, relative weights are assigned to the criteria considered.

Incentive Compensation. The Compensation Committee determines the amount of annual cash incentive bonus, if any, for the Executive Officers. These incentive bonuses are based upon the financial performance of the Company or subsidiary, as the case may be, and upon the individual's level of responsibility, qualifications, contribution, performance, the bonus levels of similarly positioned executives in comparable companies, and upon the judgment as to the impact of the individual on the financial performance of the Company.

The Company has a 401(k) plan (the Plan) that covers eligible employees meeting certain service requirements. Pursuant to the provisions of the Plan, eligible employees may make salary deferrals (before tax) of up to one hundred percent (100%) of their total compensation per plan year, subject to a specified maximum contribution as determined by the Internal Revenue Service. The Plan also includes provisions that authorize the Company to make discretionary contributions. Such contributions, if made, are allocated among all eligible employees as determined under the Plan. The trustees under the Plan invest the assets of each participant's account as directed by the participants. During the fiscal year ended April 30, 2005, the Company made employer matching 401(k) contributions to the Plan for all participating employees totaling approximately \$49,000.

Stock Awards. The Board of Directors adopted the Abrams Industries, Inc. 2000 Stock Award Plan (the Stock Award Plan) on May 26, 2000. The Company's shareholders approved the Stock Award Plan on August 23, 2000. It is the intent of the Stock Award Plan to provide the means through which employees, including Executive Officers, can build a financial stake in the Company, so as to align the employees' economic interests with those of shareholders. The Stock Award Plan is designed to play an integral role in the ability of the Company to attract and retain key employees, directors, consultants, and independent contractors. The Company believes that equity ownership among employees is an incentive which can enhance the Company's growth, profitability, and, accordingly, shareholder value.

AUDIT COMMITTEE REPORT

The Audit Committee has reviewed and discussed the audited financial statements for the fiscal year ended April 30, 2005, with management and the independent auditors, Deloitte & Touche LLP. Management made representations to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles. The discussions with the independent auditors also included the matters required by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

The independent auditors provided to the Audit Committee the written disclosures and the letter regarding its independence, as required by Independence Standards Board Standard No. 1 (Independence Discussion with Audit Committees). This information was discussed with the independent auditors.

Based on discussions with management and the Company's independent auditors, the Audit Committee's review of the representations of management, and the report and independence letter of the independent auditors, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K, to be filed with the Securities and Exchange Commission for the fiscal year ended April 30, 2005.

COMPENSATION OF DIRECTORS

Currently, each independent Director is paid a retainer of \$600 per month and a fee of \$1,300 for each Board of Directors meeting attended. In addition, independent Directors who are members of a committee of the Board of Directors, are paid a fee of \$600 for each committee meeting attended.

Directors' Deferred Compensation Plan. The Company maintains a Directors' Deferred Compensation Plan (the "Deferred Compensation Plan") under which members of the Board of Directors of the Company may elect to defer to a future date receipt of all or any part of their compensation as Directors and/or as members of a committee of the Board. For purposes of the Deferred Compensation Plan, "compensation" means the retainer fees and meeting fees payable to such Directors by the Company in their capacities as Directors or as members of a committee of the Board of Directors, respectively, but excludes awards of restricted stock or stock options.

The Deferred Compensation Plan is administered by the Executive Committee of the Board of Directors. A committee member may not participate in any decision relating in any way to his or her individual rights or obligations as a participant under the Deferred Compensation Plan.

The Company will make payments of deferred compensation and the earnings on such deferred compensation pursuant to the provisions of the Deferred Compensation Plan at the time specified by each participant in a lump sum, subject to the Plan's restrictions and limitations, or, at the sole discretion of the participant, in no more than five (5) equal annual installments. For the year ended April 30, 2005, three (3) members of the Board of Directors participated in the Deferred Compensation Plan.

Pre-Approval of Audit and Permissible Non-Audit Services

Pursuant to its Charter, the Audit Committee is responsible for the pre-approval of all audit services and all permissible non-audit services to be performed for the Company by the independent accountant. To help fulfill this responsibility, the Committee has adopted an Audit and Non-Audit Services Pre-Approval Policy. Under the policy, all auditor services must be pre-approved by the Audit Committee either (1) before the commencement of each service on a case-by-case basis called specific pre-approval; or (2) by the description in sufficient detail in an appendix to the policy of particular services which the Audit Committee has generally approved, without the need for case-by-case consideration called general pre-approval. Unless a particular service has received general pre-approval, it must receive the specific pre-approval of the Committee, or one of its members to whom the Committee has delegated specific pre-approval authority. The appendix to the policy describes the services which have received general pre-approval. These general pre-approvals allow the Company to engage the independent accountants for the enumerated services subject to fee limits per engagement and aggregate limits per service for a fiscal year. Any engagement of the independent accountants pursuant to a general pre-approval must be reported to the Audit Committee at its next regular meeting. The Audit Committee periodically reviews the services that have received general pre-approval and the associated fee ranges. The policy in no way delegates the Audit Committee's responsibility to pre-approve services performed by the independent public accountants to management.
