Item 2.02 Results of Operations and Financial Condition

The information set forth under this Item 2.02 Results of Operations and Financial Condition is intended to be furnished and such information, including the exhibits furnished under this report, shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended.

On January 26, 2006, Cardinal Health, Inc. (the Company) issued a press release announcing its results for the quarter and six months ended December 31, 2005. A copy of the press release is furnished under this report as Exhibit 99.01.

Furnished under this report as Exhibit 99.02 is a discussion of the reasons why management believes that presenting results that exclude the impact of special items and equity compensation expense provides a useful representation of the Company's current performance and trends.

Item 7.01 Regulation FD Disclosure

During a conference call scheduled to be held at 11:00 a.m. EST on January 26, 2006, the Company's Chief Financial Officer, Jeffrey W. Henderson, will discuss the Company's results for the quarter and six months ended December 31, 2005. The Company is furnishing Mr. Henderson's slide presentation for the conference call as Exhibit 99.03 to this report.

As previously disclosed, the Company continues to engage in settlement discussions with the staff of the Securities and Exchange Commission (SEC) and has now reached an agreement-in-principle on the basic terms of a potential settlement involving the Company that the SEC staff has indicated it is prepared to recommend to the Commission. The proposed settlement is subject to the completion of definitive documentation as well as acceptance and authorization by the Commission and would, among other things, require the Company to pay a \$35 million penalty. The Company accordingly recorded a reserve of \$10 million in the quarter ended December 31, 2005 in addition to the \$25 million reserve recorded for the fiscal year ended June 30, 2005. There can be no assurance that the Company's efforts to resolve the SEC's investigation with respect to the Company will be successful, or that the amount reserved will be sufficient, and the Company cannot predict the timing or the final terms of any settlement.
