NUVEEN CLOSED-END FUND MERGER PROPOSALS RECEIVE SUPPORT OF LEADING PROXY ADVISORY SERVICE

Fund Shareholders Recommended to Vote in Favor of Proposed Mergers of Florida Closed-End Municipal Bond Funds into National Municipal Closed-End Bond Funds by ISS Governance Services

CHICAGO, May 5, 2009 Nuveen Investments, a leading global provider of investment services to institutions and high-net-worth investors, today announced that ISS Governance Services Inc. (ISS) has recommended that shareholders vote in favor of each of the proposed mergers of Nuveen Florida closed-end municipal bond funds with Nuveen national closed-end municipal bond funds. ISS recommends that shareholders of each of the four Florida funds and the three National funds vote in favor of the merger involving their fund. ISS is widely recognized as the leading independent proxy advisory firm in the nation. Its recommendations are relied upon by hundreds of major institutional investment firms, mutual funds, and other fiduciaries throughout the country.

ISS recommends the funds' shareholders vote in favor of the proposed mergers at special meetings to be held on Friday, May 15, 2009. The closed-end funds proposed to be merged together and holding a shareholder meeting and vote include:

Nuveen Insured Florida Premium Income Municipal Fund (NFL)

To be merged with

Nuveen Insured Municipal Opportunity Fund, Inc. (NIO)
Nuveen Florida Investment Quality Municipal Fund (NQF); and
Nuveen Florida Quality Income Municipal Fund (NUF)

To be merged with

Nuveen Premium Income Municipal Fund 2, Inc. (NPM)
Nuveen Insured Florida Tax-Free Advantage Municipal Fund (NWF)

To be merged with

Nuveen Insured Tax-Free Advantage Municipal Fund (NEA)

The affected funds' Board has recommended that shareholders vote in favor of the proposed mergers based on the following potential benefits:

Lower fees and operating expenses per common share (excluding costs of leverage) from greater economies of scale as the combined fund's size results in a lower management fee rate and allows fixed operating expenses to be spread over a larger asset base.

Enhanced relative investment performance from increased common net earnings as well as expanded opportunities for enhanced total returns over time from the combined fund's larger (and nationally diversified) asset base.

Improved secondary market trading may lead to higher common share market prices relative to net asset value, and the combined fund's greater market liquidity may lead to narrower bid/ask spreads and smaller trade-to-trade price movements.

For the Florida Funds, the continuity of investment strategy by maintaining the fund's use of leverage, which offers common shareholders the potential for higher monthly tax-exempt distributions and enhanced total returns on average over market cycles, at a time when the municipal yield spreads are particularly wide or attractive.

Investors who have not mailed in their proxy and wish to vote via the Internet may download their fund's proxy statement and vote their proxy online. To vote over the internet, investors should go to www.proxyweb.com if they received their proxy materials directly from Nuveen. Investors who received their proxy material from their Financial Advisor should go to www.proxyvote.com.
