Item 1.01 Entry into a Material Definitive Agreement

On June 10, 2011, Gerber Scientific, Inc., a Connecticut corporation (the “Company”), entered into an Agreement and Plan of Merger (the “Merger Agreement”) with Vector Knife Holdings (Cayman), Ltd., a newly formed Cayman company (“Parent”) and Knife Merger Sub, Inc., a newly formed Connecticut corporation and wholly owned subsidiary of Parent (“Merger Sub”), providing for the merger (the “Merger”) of Merger Sub with and into the Company, with the Company surviving the Merger as a wholly owned subsidiary of Parent. Parent and Merger Sub are controlled affiliates of Vector Capital Corporation (the “Sponsor”). The Merger Agreement was unanimously adopted by the Company’s Board of Directors (the “Company Board”).

At the effective time of the Merger, each share of Company common stock outstanding immediately prior to the effective time (other than shares held by (i) Parent, Merger Sub, any other subsidiary of Parent or any subsidiary of the Company or (ii) persons who properly exercise appraisal rights under Connecticut law) will be converted into the right to receive (a) \$11.00 in cash, without interest (the “Cash Consideration”), and (b) a right to receive contingent cash consideration payments at future times if recoveries are obtained in connection with certain claims for infringement of a Company patent covering computerized cut to print technology (such right, a “CCCP”, and together with the Cash Consideration, the “Merger Consideration”).

Consummation of the Merger is subject to customary conditions, including without limitation: (i) the affirmative vote of the holders of a majority of the votes entitled to be cast on approval of the Merger Agreement (the “Shareholder Approval”), (ii) the expiration or early termination of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and (iii) the absence of any law, injunction, judgment or ruling making illegal or prohibiting the consummation of the Merger or enjoining the Company, Parent or Merger Subsidiary from consummating the Merger, and all actions or filings pursuant to the antitrust laws of Germany required to permit the consummation of the Merger having been taken, made or obtained. Moreover, each party’s obligation to consummate the Merger is subject to certain other conditions, including without limitation: (a) the accuracy of the other party’s representations and warranties contained in the Merger Agreement (subject to materiality qualifiers) and (b) the other party’s performance in all material respects of all obligations to be performed by it under the Merger Agreement. In addition, Parent’s and Merger Sub’s obligation to consummate the Merger is subject to certain other conditions, including: (x) the Company’s possession of at least \$5 million of cash and cash equivalents on the date of the closing of the Merger and (y) the absence of any event, occurrence or development of a state of circumstances or facts that has had and continues to have or would reasonably be expected to have a Material Adverse Effect (as defined in the Merger Agreement) on the Company since the date of the Merger Agreement.

The Company has made customary representations and warranties and covenants in the Merger Agreement, including without limitation covenants regarding: (i) the conduct of the business of the Company prior to the consummation of the Merger, (ii) the calling and holding of a meeting of the Company’s shareholders for the purpose of obtaining the Shareholder Approval and (iii) the use of reasonable best efforts to cause the Merger to be consummated.

During the period beginning on the date of the Merger Agreement and continuing through July 25, 2011 (the “Go-Shop Period”), the Company may and intends to initiate, solicit and encourage alternative acquisition proposals from third parties and provide non-public information to and enter into discussions or negotiations with third parties with respect to alternative acquisition proposals. Starting on July 26, 2011 (the “No-Shop Period Start Date”), the Company will become subject to customary “no-shop” restrictions on its ability to solicit alternative acquisition proposals from third parties and to provide non-public information to and enter into discussions or negotiations with third parties regarding alternative acquisition proposals, except that the Company may continue to engage in the aforementioned activities for a limited period of time after the Go-Shop Period with certain third parties that submitted an alternative acquisition proposal during the Go-Shop Period that the Company Board has determined constitutes a Superior Proposal (as

defined below) (each, an “Excluded Party”).

Notwithstanding the limitations applicable after the No-Shop Period Start Date, prior to the receipt of the Shareholder Approval, the Company may under certain circumstances furnish information to and engage in discussions or negotiations with third parties with respect to unsolicited alternative acquisition proposals that the Company Board reasonably believes could lead to a Superior Proposal. A “Superior Proposal” is a written acquisition proposal for at least a majority of the outstanding shares of Company common stock or all or substantially all of the consolidated assets of the Company on terms that the Company Board has determined is more favorable and makes available greater aggregate value to the Company’s shareholders than the Merger.

The Merger Agreement contains certain termination rights for the Company and Parent. Upon termination of the Merger Agreement under specified circumstances, the Company will be required to pay Parent a termination fee. If the termination fee becomes payable as a result of the Company terminating the Merger Agreement in order to enter into a definitive agreement concerning a Superior Proposal with an Excluded Party, the amount of the termination fee will be \$5.35 million. If the termination fee becomes payable in other circumstances, the amount of the termination fee will be \$7.89 million and the Company also will be required to pay Parent's transaction expenses in an amount up to \$1.69 million. The Merger Agreement also provides that Parent will be required to pay the Company a reverse termination fee of \$16.91 million in the event that the Company elects not to pursue or cannot obtain specific performance and terminates the Merger Agreement due to Parent's breach of the Merger Agreement or failure to close the Merger within three business days of notice of the satisfaction or waiver of all conditions to closing.

Parent and Merger Sub have obtained equity and debt financing commitments for the transaction contemplated by the Merger Agreement. The Sponsor and a minority co-investor have committed to capitalize Parent, at or prior to the closing of the Merger, with an aggregate equity contribution in an amount up to approximately \$260 million on the terms and subject to the conditions set forth in the equity commitment letters entered into by certain controlled affiliated funds of the Sponsor and the minority co-investor in connection with the Merger (the "Equity Commitment Letters"). The Sponsor and the minority co-investor have also provided the Company with a limited guarantee in favor of the Company guaranteeing the payment of certain monetary obligations that may be owed by Parent pursuant to the Merger Agreement, including any reverse termination fee that may become payable by Parent.

Fortress Credit Corporation ("Fortress") has committed to provide a senior secured financing facility in the maximum aggregate amount of \$60 million (the "Financing Facility") on the terms and subject to the conditions set forth in a debt commitment letter (the "Debt Commitment Letter"). The Financing Facility will consist of (i) a revolving credit facility of up to \$10 million outstanding at any time, and (ii) a term loan facility of \$50 million. The obligation of Fortress to provide debt financing under the Debt Commitment Letter is subject to a number of conditions, including without limitation (a) a condition that, since January 31, 2011, there has been no occurrence of a Material Adverse Effect (as defined within the Merger Agreement); (b) execution and delivery of appropriate legal loan documentation consistent with the terms and conditions of the Debt Commitment Letter; (c) a condition that, Fortress shall have been granted a perfected, first priority lien on certain collateral pledged under the Debt Commitment Letter and shall have received UCC, tax and judgment lien searches and other appropriate evidence evidencing the absence of any other liens on the collateral, other than existing liens acceptable to Fortress and customary permitted liens; (d) delivery of a customary legal opinion from counsel to the Company as Fortress may reasonably request; (e) a condition that, the Company and its domestic subsidiaries designated by Fortress in consultation with Parent are in good standing and duly qualified to do business (except, in each case, where the failure to do so could not reasonably be expected to result in a Material Adverse Effect (as defined in the Merger Agreement) on the Company and all such subsidiaries); (f) a condition that, customary insurance for the Financing Facility is in place; (g) the absence of any law, injunction, judgment or ruling making illegal or otherwise prohibiting the consummation of the Merger or the Financing Facility or enjoining the Company, the Sponsor or Parent from consummating the Merger or the Financing Facility; (h) payment of applicable fees and expenses; (i) evidence that the cash equity investment by the Sponsor and the minority co-investor of no less than \$260 million has been made on or prior to the closing of the Merger; (j) the absence of any amendments, supplements or waivers to the Merger Agreement that are materially adverse to Fortress; (k) consummation of the Merger in accordance with the Merger Agreement; (l) receipt of certain financial information of the Company; (m) the accuracy of certain specified representations and warranties in the Merger Agreement or made pursuant to the Debt Commitment Letter; (n) delivery of certain customary closing documents (including a solvency certificate) and (o) a condition that, no default or event of default under the Financing Facility shall have occurred and be continuing at closing or would result from the Merger Agreement or the Financing Facility and any other loan document becoming effective in accordance with its or their respective terms. The commitment by the Fortress to provide the Financing Facility will expire upon the earliest of (x) the termination of the Merger Agreement in accordance with its terms, (y)

the closing of the Merger without the use of the Financing Facility and (z) 5:00 p.m. (New York City time) on November 10, 2011.

The representations and warranties of the Company contained in the Merger Agreement have been made solely for the benefit of Parent and Merger Sub. In addition, such representations and warranties (a) have been made only for purposes of the Merger Agreement, (b) have been qualified by certain disclosures made to Parent and Merger Sub not reflected in the text of the Merger Agreement, (c) are subject to materiality qualifications contained in the Merger Agreement which may differ from what may be viewed as material by investors, (d) were made only as of the date of the Merger Agreement or other specific dates and (e) have been included in the Merger Agreement for the purpose of allocating risk between the contracting parties rather than establishing matters as facts. Accordingly, the Merger Agreement is included with this filing only to provide investors with information regarding the terms of the Merger Agreement and not to provide investors with any other factual information regarding the Company or its business. Investors should not rely on the representations and warranties or any descriptions thereof as characterizations of the actual state of facts or condition of the Company or any of its subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in the Company's public disclosures. The Merger Agreement should not be read alone, but should instead be read in conjunction with the other information regarding the Company that is or will be contained in, or incorporated by reference into, the Forms 10-K, Forms 10-Q, proxy statements and other documents that the Company files with the Securities and Exchange Commission (the "SEC").

Contingent Cash Consideration

Pursuant to the terms of the Merger Agreement, immediately prior to the effective time, the Company will enter into a Contingent Cash Consideration Agreement (the "CCC Agreement") governing the terms of the CCCPs and establishing a CCCP Committee (the "Committee"). The Company will fund the pursuit of certain claims for infringement of a Company patent covering computerized cut to print technology with up to \$2 million deposited into an escrow account. If any net recoveries are received by the Company prior to the closing of the Merger, the Company's funding obligation will be reduced up to such amount. Any post-closing recoveries from the pursuit of claims against certain agreed parties, net of applicable legal contingency fees and a tax reserve payable to the Company, will be distributed first to the Company as a reimbursement for the amount it funded for expenses through the escrow account and then to the holders of CCCPs. Pursuit of any claims against other parties for infringement of the the Company patent covering computerized cut to print technology will require the consent of both the Company and the Committee. Any post-closing recoveries from the pursuit of claims against other parties, net of applicable legal contingency fees and a tax reserve payable to the Company, will be distributed first to the Company as a reimbursement for any out-of-pocket expenses paid by the Company in connection with the pursuit of such claims and then equally between the Company, on the one hand, and the holders of CCCPs, on the other hand. The Committee will, at its discretion, determine payment dates on which payouts will be paid pro rata to holders of CCCPs (provided that at such time there are no accrued and unpaid escrow expenses), subject to adjustments for CCCPs issued to holders of out-of-the-money options at the time of the Merger to reflect the extent to which those options are out of the money at the closing of the Merger.
